

PEACH PIE Recipe

1 basic pie crust, unbaked

Filling:

5 cups of sliced, peeled peaches

2 Tbs lemon juice

1/2 cup of white sugar (use less if the peaches are really sweet)

1 tsp ground cinnamon

1/4 tsp ground nutmeg

1/4 tsp salt

Line 9 inch pie pan with crust.

Mix all filling ingredients. Place in pie crust. Dot with butter. Top with crumbly crust, covering all the peaches.

Bake in 350 F oven for 35-40 minutes. It's done when the juices are bubbling and the crust is golden brown.
